Petitioners acknowledge that they have divided their property in an equitable way, but it may not be an exactly equal division. The Petitioners are dividing their community property as indicated herein knowingly and voluntarily. The Petitioners expressly waive the right to have their marital estate divided equally pursuant to NRS 125.150(1)(b).

- 32. We ask for judgment as follows:
  - a. That the Petitioners be granted a decree of divorce and that each of the Petitioners be restored to the status of single, unmarried persons;
  - b. That the terms agreed upon in this joint petition be included in the decree; and
  - c. For other and further relief as the Court may deem just and proper in this action.

#### **NOTICE:**

The court is prohibited from giving legal advice to either party involved in this litigation.

However, in furtherance of Senate Bill (SB) 434 effective July 1, 2023, the Court provides the following notice to the parties:

"All property, other than that stated in NRS 123.130, acquired after marriage by either spouse or both spouses, is community property upless otherwise provided by an agreement in writing

both spouses, is community property unless otherwise provided by an agreement in writing between the spouses; a decree of separate maintenance issued by a court of competent jurisdiction; NRS 123.190; or a decree issued or agreement in writing entered pursuant to NRS 123.259." NRS 123.220. This includes pensions and/or retirement assets acquired after marriage by either spouse. In granting a divorce, this court shall, to the extent practicable, make an equal disposition of the community property of the parties, absent compelling reasons. *See* NRS 125.150. In dividing pension or retirement assets this Court must also comply with NRS 125.155, the Employee Retirement Income Security Act of 1974 (ERISA), and any other applicable state and federal laws. Litigants are responsible for presenting testimony and

evidence in support of any claim they believe they have for the manner in which these assets 1 should be allocated. See Gemma v. Gemma, 105 Nev. 458, 778 P.2d 429 (1989) and Fondi v. 2 Fondi, 106 Nev. 856, 802 P.2d 1264 (1990). 3 In making the order outlined above, this Court allocates the community and separate property 4 portions of the parties' disclosed retirement and pension assets in accordance with applicable 5 law or this Court accepts the parties' stipulated settlement agreement. For certain types of 6 7 retirement and pension assets, an additional court order such as a Qualified Domestic Relations Order (QDRO) or Court Order Acceptable for Processing (COAP) is required to effectuate the 8 Decree of Divorce awarding a portion of the participant's pension plan, military pension, or 9 retirement asset to another payee. QDROs and COAPs are generally issued separate from the 10 Decree of Divorce and must conform with the terms set forth in the Decree of Divorce. See 11 Henson v. Henson, 130 Nev. 814, 334 P.3d 933 (2014). It is the litigants' responsibility to 12 ensure any necessary QDRO or COAP orders are provided to the Court for issuance at 13 the time of issuance of the Decree of Divorce or immediately following issuance of the 14 Decree of Divorce. The Court does not and will not prepare these orders for you. 15 For more information regarding pensions, retirement assets, QDROs and/or COAPs the Court 16 encourages litigants to consult with legal counsel, utilize the services of the lawyer in the library 17 program (www.washoecourts.com/lawlibrary/lawyerinlibrary), and/or review relevant legal 18 authority including but not limited to the authorities cited above. 19 20 21 (Petitioner 1 initials) (Petitioner 2 initials) 22 /// 23 /// 24 /// 2.5 /// 26 27 /// /// 28

### **APPENDIX A**

## **Gross Monthly Income (GMI) Worksheet**

This worksheet must be used to calculate each Petitioner's gross monthly income as required in Section 11 ("Gross Monthly Income") of the Joint Petition packet.

**Gross monthly income** is the amount of money you make each month *before taxes are deducted*. Gross monthly income includes income received from employment, social security (*not SSI*), unemployment benefits, pension or retirement plan payments, income from interest and investments, military allowances and veterans' benefits, alimony, etc. Gross monthly income DOES NOT include SSI, SNAP, TANF, cash benefits from the county, or child support received. *For a full list of what is included in gross monthly income, please see NAC 425*.025.

# ① Calculate Gross Monthly Income (GMI) from Employment

To calculate your GMI from employment, use **ONLY ONE** of the tables below per Petitioner:

### Petitioner 1 Petitioner 2

Copy the amount of GMI from employment for each Petitioner into the table below.

# ② Calculate Total Gross Monthly Income (GMI)

Now, add any additional money each Petitioner receives each month from overtime pay (if it is substantial, consistent and can be accurately determined), social security, unemployment benefits, pension or retirement plan payments, income from interest/investments, compensation for lost wages, military allowances, veteran's benefits, alimony, regular gifts from others, etc. Use the table below to add up each Petitioner's total gross monthly income.

#### Petitioner 1

Other:	\$

#### Petitioner 2

Employment GMI:	\$

Pension/Retirement:	\$

You now have calculated each Petitioner's total gross monthly income. Each Petitioner's total gross monthly income (GMI) as calculated above must be transferred to Section 11 on page 10 of the Joint Petition packet (under Gross Monthly Income).

If a primary physical custody arrangement was selected in Section 8 of the Joint Petition packet ("Physical Custody of the Minor Child(ren)"), the non-custodial parent will pay their base child support obligation calculated above to the parent with primary physical custody of the child(ren). (The parent with primary physical custody will have no child support obligation.)

Petitioner	(non-custodial parent) shall pay \$	(base child support obligation) to
Petitioner	(parent with primary physical custody).	

## B Joint physical custody

If a joint physical custody arrangement was selected in Section 8 of the Joint Petition packet ("Physical Custody of the Minor Child(ren)"), the total child support obligation is calculated as follows:

**Subtract** the lower earning parent's base child support obligation from the higher earning parent's base child support obligation.

Each Petitioner's base child support obligation and the total child support obligation calculated in this worksheet *must* be stated in Section 13 of the Joint Petition packet ("Child Support Calculation"), even if the Petitioners agree to a different amount of child support or that no child support will be paid by either Petitioner.
