EX PARTE MOTION TO OPEN ADOPTION FILE

PROCEDURE FOR REQUESTING INFORMATION FROM ADOPTION FILE

Because adoption files are “sealed” in Nevada, the file cannot be “unsealed” without a very specific order from the Court.

When someone files a request for information or copies of documents from an adoption file, a judge will review the request and the reasons for the request. If the judge decides there is a valid reason to unseal the file, the judge will issue an order to unseal it and appoint someone from the Court to review the file, and, if the information is in the file, to retrieve the information and give it to the Court. The Court will then forward the information to the person requesting it.
