**MEMORANDUM**

**DATE:** March 8, 2018

**TO:** District Court Judges  
 Senior Judges  
 District Court Administrators or County Clerks

**FROM:** Robin Sweet, Director and State Court Administrator *Robin Sweet*

**SUBJECT:** Presumptive Maximum Amounts of Child Support

Pursuant to subsection 3 of NRS 125B.070, the presumptive maximum amounts of child support have been adjusted for the period beginning July 1, 2018.

Please be aware this is likely the last update that will be provided by the Administrative Office of the Courts. With the passage of Assembly Bill 278 from the 2017 Legislative Session, the requirement that this office perform this function was repealed. At such time as new regulations regarding child support are adopted, the responsibility to determine the presumptive maximum will fall to the Executive Branch.

The Consumer Price Index (all items) published by the United States Department of Labor for calendar year 2017 increased 2.1 percent; therefore, the presumptive maximum amounts originally established and modified annually pursuant to NRS 125B.070 will increase 2.1 percent effective July 1, 2018. The following chart describes the presumptive maximum amounts for the period July 1, 2018, through June 30, 2019:
