Pending Adult Guardianship Cases

Grouped by Status

Cases represented in the previous table and this graph contain cases with any initial filing date. Disposed cases are not listed here. Age of case is determined by the date the status was updated.

Pending - Active: A count of cases that, at the start of the reporting period, are awaiting disposition.

Pending Active - Ex Parte Order: A count of cases that have an ex parte order of guardianship filed and are awaiting further action.

Pending Active - Temp Order: A count of cases that have an order of temporary guardianship filed and are awaiting disposition.

Disposed/Set for Review: A count of cases at the end of each month that, following an initial Entry of Judgment, are awaiting a regularly scheduled review involving a hearing before a judicial officer during the reporting period.

Reopened: A count of cases in which judgments have previously been entered but which have been restored to the courts pending caseload due to the existing filing of a request to modify or enforce existing judgments.

These days represent the time from petition to adjudication, at which point the cases stop aging. This group represents cases that are awaiting a regularly scheduled review (ex., annual report). These cases do not continue to age, and therefore, remain static in their respective age grouping.

1.3 - Types of Guardianships Ordered

The below table shows the number and types of guardianships ordered in the past 12 full months. Definitions regarding the statutory authority for types of guardianships are listed in Appendix A.

NPCS 3.3.2 Initial Screening

Probate courts should encourage the appropriate use of less intrusive alternatives to formal guardianship and conservatorship proceedings.

NPCS 3.3.10 Less Intrusive Alternatives

A. Probate courts should find that no less intrusive appropriate alternatives exist before the appointment of a guardian or conservator.

B. Probate courts should always consider, and utilize, where appropriate, limited guardianships and conservatorships, or protective orders.

C. In the absence of governing statutes, probate courts, taking into account the wishes of the respondent, should use their inherent or equity powers to tailor the scope of and tailor the guardianship or conservatorship order to the particular needs, functional capabilities, and limitations of the respondent.

1.4 - Average Time to Disposition for Pending Active Cases - Last 12 Full Months

Cases initially filed since January 1, 2014

The table below shows cases disposed that were initially filed since January 1, 2014 (since new case management protocols were put in place). The average time to disposition for pending active cases may fluctuate significantly in a particular month depending upon various factors, which include whether a continuance is necessary due to notice deficiencies, objections to the guardianship, or where the parties did not set a hearing on the petition shortly after its filing.

Types of Guardians

Total Number of Guardians: 1,413

Please note: There may be one guardian for the same protected person in some cases.

Appendix A. Statutory Authority for types of Guardianships

NRS 159.0487 provides for the appointment of 5 different types of Guardian.

1. Guardians of the Person, of the Estate, or of the Person and Estate for incompetents or minors whose home state is this State
This is a General Guardianship over the Person, Estate or both over a person found to be incompetent with all of the powers available under NRS 159 granted to the Guardian. However the Guardian must still petition the Court before taking action in relation to certain aspects of the Person and or Estate.
 - a. Summary Administration of a Guardianship Estate (NRS 159.076)
Ordinarily a Guardianship of Estate requires annual accountings to be heard on noticed hearing by the Court. However where it appears after payment of all claims and expenses of the guardianship that the value of the Ward's property does not exceed \$10,000 the Court may dispense with annual accountings and all other proceedings required by this chapter. However the Guardian must notify the Court through an amended inventory should the net estate exceed \$10,000 and file annual accountings from that point on.
2. Guardians of the Person, of the Estate, or of the Person and Estate for incompetents or minors who, although not residents of this State, are physically present in this State and whose welfare requires such an appointment
This is the same type of Guardianship as described at 1. However it is the physical proximity in state and the circumstantial requirement of appointment rather than residence which allows the Court to make an order. The powers granted are the same and subject to the same statutory requirements of permission before action is taken.
3. Guardians of the Estate for nonresident incompetents or nonresident minors who have property within this State
This describes a guardianship concerned with property held in this state only.
4. Special Guardians (NRS 159.026, NRS 159.0801, NRS 159.0805)
This is a guardianship over a person found to be a limited capacity as opposed to incompetency. The Court may dictate the powers granted to the Special Guardian and, save in emergency situations, must apply to the Court for instruction or approval before commencing any act relating to the person of limited capacity. The Special Guardian of the Person may also be granted powers to manage and dispose of the estate of the Ward.
5. Guardians ad litem
Not applicable to this analysis.
6. Temporary Guardian of the Person and/ or Estate (NRS 159.0523/0525)
The Court may grant a temporary guardianship over the Person, Estate or both. This may be granted on an ex parte basis but in such circumstances must be heard not later than 10 days after the date of appointment or the guardianship will expire. The Court may extend the guardianship for no longer than 5 months unless extraordinary circumstances are shown. The Court shall limit the powers of the Temporary Guardian to those necessary to respond to a substantial and immediate risk of physical harm or financial loss as is relevant.

Appendix B. USJR – Family Disposition Definitions

Non-Trial Dispositions: A major classification category for family-related case dispositions in which a case is disposed of by a dismissal, default, settlement, withdrawal, transfer, or other non-trial action.

Other Manner of Disposition: A subcategory of family-related non-trial case type dispositions including ones of unknown specificity or dispositions not attributable to one of the other defined family-related disposition categories.

Dismissed for Want of Prosecution: A subcategory of family-related non-trial dispositions involving cases dismissed by the court because the plaintiff, petitioner, or obligee has voluntarily ceased to pursue a case.

Involuntary (Statutory) Dismissal: A subcategory of family-related non-trial dispositions involving cases adjudicated by an order of dismissal being entered because the legal time statute has expired, with no other judgment or order being rendered for the case.

Default Judgment: A subcategory of family related non-trial dispositions involving cases in which the defendant(s) either chose not to or failed to respond to (i.e. answer) the plaintiff's allegations.

Settled/Withdrawn Without Judicial Conference or Hearing: A subcategory of family related non-trial dispositions for cases settled out of court, voluntarily withdrawn from the court docket by the plaintiff, and/or by joint stipulation without a conference or hearing with a judicial officer.

Settled/Withdrawn With Judicial Conference or Hearing: A subcategory of family related non-trial dispositions for cases settled, voluntarily withdrawn from the court docket by the plaintiff, and/or by joint stipulation following a conference or hearing with a judicial officer.

Settled/Withdrawn by Alternative Dispute Resolution (ADR): A subcategory of family related non-trial dispositions involving cases that were referred by the court to programs such as mediation or arbitration and through those processes, were successfully settled and/or withdrawn from the court docket during the reporting period.

Transferred: A subcategory of family-related non-trial dispositions involving cases in which a judicial order transfers a case from one court to another jurisdiction. Transferred does not mean transferring the case from one judge or master to another judge or master within the same court.

Trial Dispositions: A major classification category for family-related case dispositions that involves a hearing and determination of issues of fact and law, in accordance with prescribed legal procedures, in order to reach a judgment in a case before a court.

Bench (Non-Jury) Trial: A subcategory of family related trial dispositions involving a trial in which there is no jury and a judicial officer determines both the issues of fact and law in the case. For statistical purposes, a Bench trial is initiated when an opening statement is made, the first evidence is introduced, or the first witness sworn, whichever comes first, regardless of whether a judgment is reached.

Disposed After Trial Start: A subcategory of family related bench (non-jury) trial dispositions in which a judicial officer determines both the issues of fact and law in the case, but no judgment is reached, typically because the case settles during the trial.

Judgment Reached: A subcategory of family related bench (non-jury) trial dispositions in which a judicial officer determines both the issues of fact and law in the case and a judgment is rendered by the court/judicial officer.

Appendix C: LEVELS OF CARE/PLACEMENTS

Jail/Commitment Facility: Placement in a commitment facility pursuant to a civil protocol which occurs when a person is involuntarily admitted into an acute care, locked, psychiatric hospital for serious mental health impairments pursuant to the provisions of NRS 433A. Placement in a jail results when a person is arrested and incarcerated in a locked detention facility pending criminal disposition.

Locked/Secure Facility: Placement serving persons who are experiencing serious psychiatric disabilities and require a secure, safe and structured living environment in which they may benefit functionally from psychiatric rehabilitation services and progress to a less restrictive level of care. The facility providing long-term care is designed to restrict a resident of the facility from leaving the facility, a part of the facility or the grounds of the facility through the use of locks or other mechanical means unless the resident is accompanied by a staff member of the facility or another person authorized by the facility or the guardian. This does not include a residential facility providing long-term care which uses procedures or mechanisms only to track the location or actions of a resident or to assist a resident to perform the normal activities of daily living. NRS 159.0255

Hospital-Acute Care: Placement in an acute care hospital of a person receiving brief 24-hour in-patient treatment and recovery care for a serious, health condition or trauma.
