Pending Minor Guardianship Cases

Grouped by Status

Cases represented in the previous table and this graph contain cases with any initial filing date. Disposed cases are not listed here. Age of case is determined by the date the status was updated.

Pending - Active: A count of cases that, at the start of the reporting period, are awaiting disposition.

Pending Active - Ex Parte Order: A count of cases that have an ex parte order of guardianship filed and are awaiting further action.

Pending Active - Temp Order: A count of cases that have an order of temporary guardianship filed and are awaiting disposition.

Disposed/Set for Review: A count of cases at the end of each month that, following an initial Entry of Judgment, are awaiting a regularly scheduled review involving a hearing before a judicial officer during the reporting period.

Reopened: A count of cases in which judgments have previously been entered but which have been restored to the courts pending caseload due to the existing filing of a request to modify or enforce existing judgments.

These days represent the time from petition to adjudication, at which point the cases stop aging. This group represents cases that are awaiting a regularly scheduled review (ex., annual report). These cases do not continue to age, and therefore, remain static in their respective age grouping.

Appendix A. Statutory Authority for Types of Guardianships

NRS 159A provides for the appointment of 5 different types of Guardian.

1. **Guardians of the Person, of the Estate, or of the Person and Estate minors whose home state is this State** (NRS 159A.0487)
This is a permanent Guardianship over the Person, Estate or both the Person and Estate. The Guardian must petition the Court before taking action in relation to certain aspects of the Person and/or Estate.
 - a. **Summary Administration of a Guardianship Estate** (NRS 159A.076)
Ordinarily a Guardianship of Estate requires annual accountings to be heard on noticed hearing by the Court. However where it appears after payment of all claims and expenses of the guardianship that the value of the protected minor's property does not exceed \$10,000, the Court may dispense with annual accountings and all other proceedings required by this chapter. However the Guardian must notify the Court through an amended inventory should the net estate exceed \$10,000 and file annual accountings from that point on.
2. **Guardians of the Person or of the Person and Estate for minors who, although not residents of this State, are physically present in this State and whose welfare requires such an appointment** (NRS 159A.0487)
This is the same type of Guardianship as described above. However it is the physical proximity in state and the circumstantial requirement of appointment rather than residence which allows the Court to make an order. The powers granted are the same and subject to the same statutory requirements of permission before action is taken.
3. **Guardians of the Estate for nonresident minors who have property within this State** (NRS 159A.0487)
This describes a guardianship concerned with property held in this state only.
4. **Temporary Guardian of the Person, of the Estate, or of the Person and Estate** (NRS 159A.052 and 159A.053)
The Court may grant a temporary guardianship over the Person, Estate or both the Person and Estate. This may be granted on an ex parte basis but in such circumstances must be heard not later than 10 days after the date of appointment or the temporary guardianship will expire. The Court may extend the guardianship for no longer than two successive 60-day periods, unless extraordinary circumstances and good cause is shown. The Court shall limit the powers of the Temporary Guardian to those necessary to respond to an immediate medical concern or a substantial and immediate risk of physical harm or financial loss.
5. **Guardians ad litem** (NRS 159A.0487 and 159A.0455)
This is an appointment to advocate for the best interests of the minor and which shall serve until relieved by court order.
