Pending Minor Guardianship Cases

Grouped by Status

Cases represented in the previous table and this graph contain cases with any initial filing date. Disposed cases are not listed here. Age of case is determined by the date the status was updated.

Pending - Active: A count of cases that, at the start of the reporting period, are awaiting disposition.

Pending Active - Ex Parte Order: A count of cases that have an ex parte order of guardianship filed and are awaiting further action.

Pending Active - Temp Order: A count of cases that have an order of temporary guardianship filed and are awaiting disposition.

Disposed/Set for Review: A count of cases at the end of each month that, following an initial Entry of Judgment, are awaiting a regularly scheduled review involving a hearing before a judicial officer during the reporting period.

Reopened: A count of cases in which judgments have previously been entered but which have been restored to the courts pending caseload due to the existing filing of a request to modify or enforce existing judgments.

These days represent the time from petition to adjudication, at which point the cases stop aging. This group represents cases that are awaiting a regularly scheduled review (ex., annual report). These cases do not continue to age, and therefore, remain static in their respective age grouping.

4.3 - Guardian Types

For all pending and set for review cases, the chart below shows the percentage breakdown of guardian types in Minor Guardianship cases. *Please note: 'No Data Entered' represents those cases that are pending active and awaiting a case disposition, where a guardian has not yet been established.*

Types of Guardians

Total Number of Guardians: 1,582

Please note: There may be more than one guardian for the same protected person in some cases.

Appendix A. Statutory Authority for Types of Guardianships

NRS 159A provides for the appointment of 5 different types of Guardian.

1. **Guardians of the Person, of the Estate, or of the Person and Estate minors whose home state is this State** (NRS 159A.0487)
This is a permanent Guardianship over the Person, Estate or both the Person and Estate. The Guardian must petition the Court before taking action in relation to certain aspects of the Person and/or Estate.
 - a. **Summary Administration of a Guardianship Estate** (NRS 159A.076)
Ordinarily a Guardianship of Estate requires annual accountings to be heard on noticed hearing by the Court. However where it appears after payment of all claims and expenses of the guardianship that the value of the protected minor's property does not exceed \$10,000, the Court may dispense with annual accountings and all other proceedings required by this chapter. However the Guardian must notify the Court through an amended inventory should the net estate exceed \$10,000 and file annual accountings from that point on.
2. **Guardians of the Person or of the Person and Estate for minors who, although not residents of this State, are physically present in this State and whose welfare requires such an appointment** (NRS 159A.0487)
This is the same type of Guardianship as described above. However it is the physical proximity in state and the circumstantial requirement of appointment rather than residence which allows the Court to make an order. The powers granted are the same and subject to the same statutory requirements of permission before action is taken.
3. **Guardians of the Estate for nonresident minors who have property within this State** (NRS 159A.0487)
This describes a guardianship concerned with property held in this state on ly.
4. **Temporary Guardian of the Person, of the Estate, or of the Person and Estate** (NRS 159A.052 and 159A.053)
The Court may grant a temporary guardianship over the Person, Estate or both the Person and Estate. This may be granted on an ex parte basis but in such circumstances must be heard not later than 10 days after the date of appointment or the temporary guardianship will expire. The Court may extend the guardianship for no longer than two successive 60 -day periods, unless extraordinary circumstances and good cause is shown. The Court shall limit the powers of the Temporary Guardian to those necessary to respond to an immediate medical concern or a substantial and immediate risk of physical harm or financial loss.
5. **Guardians ad litem** (NRS 159A.0487 and 159A.0455)
This is an appointment to advocate for the best interests of the minor and which shall serve until relieved by court order.

Appendix B. USJR – Family Disposition Definitions

Non-Trial Dispositions: A major classification category for family-related case dispositions in which a case is disposed of by a dismissal, default, settlement, withdrawal, transfer, or other non-trial action.

Other Manner of Disposition: A subcategory of family-related non-trial case type dispositions including ones of unknown specificity or dispositions not attributable to one of the other defined family-related disposition categories.

Dismissed for Want of Prosecution: A subcategory of family-related non-trial dispositions involving cases dismissed by the court because the plaintiff, petitioner, or obligee has voluntarily ceased to pursue a case.

Involuntary (Statutory) Dismissal: A subcategory of family-related non-trial dispositions involving cases adjudicated by an order of dismissal being entered because the legal time statute has expired, with no other judgment or order being rendered for the case.

Default Judgment: A subcategory of family related non-trial dispositions involving cases in which the defendant(s) either chose not to or failed to respond to (i.e. answer) the plaintiff's allegations.

Settled/Withdrawn Without Judicial Conference or Hearing: A subcategory of family related non-trial dispositions for cases settled out of court, voluntarily withdrawn from the court docket by the plaintiff, and/or by joint stipulation without a conference or hearing with a judicial officer.

Transferred: A subcategory of family-related non-trial dispositions involving cases in which a judicial order transfers a case from one court to another jurisdiction. Transferred does not mean transferring the case from one judge or master to another judge or master within the same court.

Trial Dispositions: A major classification category for family-related case dispositions that involves a hearing and determination of issues of fact and law, in accordance with prescribed legal procedures, in order to reach a judgment in a case before a court.

Bench (Non-Jury) Trial: A subcategory of family related trial dispositions involving a trial in which there is no jury and a judicial officer determines both the issues of fact and law in the case. For statistical purposes, a Bench trial is initiated when an opening statement is made, the first evidence is introduced, or the first witness sworn, whichever comes first, regardless of whether a judgment is reached.

Disposed After Trial Start: A subcategory of family related bench (non-jury) trial dispositions in which a judicial officer determines both the issues of fact and law in the case, but no judgment is reached, typically because the case settles during the trial.

Judgment Reached: A subcategory of family related bench (non-jury) trial dispositions in which a judicial officer determines both the issues of fact and law in the case and a judgment is rendered by the court/judicial officer.

Appendix C: LEVELS OF CARE/PLACEMENTS

Jail/Commitment Facility: Placement in a commitment facility pursuant to a civil protocol which occurs when a person is involuntarily admitted into an acute care, locked, psychiatric hospital for serious mental health impairments pursuant to the provisions of NRS 433A. Locked/Secure Facility: Placement serving persons who are experiencing serious psychiatric disabilities and require a secure, safe and structured living environment in which they may benefit functionally from psychiatric rehabilitation services and progress to a less restrictive level of care. The facility providing long-term care is designed to restrict a resident of the facility from leaving the facility, a part of the facility or the grounds of the facility through the use of locks or other mechanical means unless the resident is accompanied by a staff member of the facility or another person authorized by the facility or the guardian. This does not include a residential facility providing long-term care which uses procedures or mechanisms only to track the location or actions of a resident or to assist a resident to perform the normal activities of daily living. NRS 159.0255

Hospital-Acute Care: Placement in an acute care hospital of a person receiving brief 24-hour inpatient treatment and recovery care for a serious, health condition or trauma.

Out of State Placement: Placement of a resident of the State of Nevada in a location/facility out of Nevada's boundaries in order to meet placement needs or requirements.

Skilled Nursing Home: Placement of a person in a skilled nursing home receiving continuous 24-hour residential support for activities of daily living and nursing support for challenges associated with disabilities. Skilled nursing homes may also provide transitional rehabilitation and medical services for persons transitioning from hospitalization to a less restrictive living circumstance. NRS 449.0039.

Group Home: Placement of a person in a private home that furnishes food, shelter, assistance and limited supervision to a person with an intellectual disability or with a physical disability or a person who is aged or infirm. The term includes, without limitation, an assisted living facility. NRS 449.017.

Supportive Adult Residence: Placement maximizes elder or disabled persons independence while providing supplemental services as needed, i.e., medication management, meal preparation, transportation, apartment cleaning, general health care services, 24 hour monitoring. See also NRS 449.017.

Host Family /Guardian/Family/Friend: Placement of a person in a family home that allows the living experience of a home setting with a non-relative, relative, guardian or friend who provides housing, meals and services designated in the person's care plan, such as transportation, medication reminders, companionship, socialization, and assistance with activities of daily living.

Independent Living: Placement of a person in their own home living with or without supportive services.
