

Craig Franden is the Chief Technology Officer for the Second Judicial District Court. Mr. Franden's primary responsibility in his role as a member of the Executive Leadership Team is to manage all aspects of technology in the Second Judicial District Court. Mr. Franden leads the effective use of technology for the Court to show efficient gains in business processes while reducing costs.

Mr. Franden has been employed with the District Court since June, 1998. Since 1998, Mr. Franden has been instrumental in developing and implementing technology in all areas of our local justice system.

Mr. Franden received his bachelors of science, in Biology, from the University of Nevada, Reno.
