Cases represented in the previous table and this graph contain cases with any initial filing date. Disposed cases are not listed here. Age of case is determined by the date the status was updated.

Pending - Active: A count of cases that, at the start of the reporting period, are awaiting disposition.

Disposed/Set for Review: A count of cases at the end of each month that, following an initial Entry of Judgment, are awaiting a regularly scheduled review involving a hearing before a judicial officer during the reporting period.

Reopened: A count of cases in which judgments have previously been entered but which have been restored to the courts pending caseload due to the filling of a request to modify or enforce the existing judgments.

These days represent the time from petition to adjudication, at which point the cases stop aging. This group represents cases that are awaiting a regularly scheduled review (ex., annual report). These cases do not continue to age, and therefore, remain static in their respective age grouping.

4.0 - Disposed Events

These tables represent events set in the case management system (Contexte) and are broken out by Judge or Master hearing the event. If a Judge is providing hearing coverage for another, then the Judge covering gets the credit for the hearing. The term 'event' is akin to 'setting' or 'hearing.' These data do not reflect 'Request for Submission' or 'Ex-Parte' events. Those events are broken out in the following subreport. The groupings for this report are defined after the final table.

Compliance Reports

3.1 - Milestones for all Probate Cases

Milestone tracks have been added to cases initiated 1/1/2009 to present.

Every Summary and General Administration case requires the filing of the following:

This compliance rate applies to 563 cases.

Appendix A. USJR - Civil Disposition Definitions

Non-Trial Dispositions: A major classification category for civil case dispositions in which a case is disposed of by a dismissal, default, settlement, withdrawal, transfer, or other nontrial action.

Other Manner of Disposition: Non-trial dispositions including ones of unknown specificity or dispositions not attributable to one of the other defined civil related disposition categories. Cases receiving notice of a federal bankruptcy proceeding should be reported in this disposition type.

Voluntary Dismissal: Non-trial dispositions involving cases dismissed by the court upon request or motion by the plaintif petitioner, or obligee that has voluntarily ceased to pursue a case. See NRCP and JCRCP Rules 4a.

Involuntary Dismissal: Non-trial dispositions in which a dismissal judgment being entered because the legal time frame (1 year for small claims, 120 days after the filing of a complaint without service of the summons and complaint upon a defendant, 30 days or less for summary evictions, and generally 2 or 5 years for District Courts) has expired with no other judgment being rendered for the case. Courts should report cases disposed administratively utilizing this nortifial disposition For instance, cases determined to be without merit. See NRCP 41(e), JCRCP 4(i) or 93 (small claims).

Transferred (before trial): A disposition type in which a judicial action or notice transfers a case from one court to another jurisdiction. Cases transferred pursuant to NRS4.371 should be counted as a new filing for statistical purposes, but fi ling fees may not be required at the Justice Court. District Courts should report cases appealed from limited jurisdiction courts as transferred when returning the case to the Justice/Municipal Court. Transferred does not mean transferring the case from one judge to another judge within the same court. (Please note that cases disposed by receiving notice of a federal bankruptcy proceeding should be reported in Other Manner of Disposition.)

Judgment on Arbitration: Non-trial dispositions for cases adjudicated by a judgment being entered as a result of an arbitration or mediation proceeding.

Stipulated Dismissal: Non-trial dispositions for cases adjudicated by a stipulated dismissal being entered. Stipulated dismissal could be the result of mediation or settlement conferences. Cases heard and resolved by a referee might use this disposition.

Stipulated Judgment: Non-trial dispositions for cases adjudicated by a stipulated judgment being entered. Stipulated judgment could be the result of mediation or settlement conferences. For example, when the parties agree on everything (e.g., amount owed and payments) before they come to court, enter the agreement as part of the record/judgment and count as stipulated judgment. Cases heard and resolved by a referee might use this disposition. "Confession of Judgment" filed as original cases have the disposition of stipulated judgment.

Default Judgment: Non-trial dispositions for cases adjudicated by a default judgment being entered based on defendant having failed to answer or having answered improperly.

Motion to Dismiss by the Defendant(s): Non-trial dispositions for cases adjudicated on the merits in which the defendant(s) file a motion to dismiss the civil action, generally interposed before trial.

Summary Judgment: Non-trial dispositions in which a judge renders a decision, without trial, where there is no dispute as to either material facts nor inferences to be drawn from undisputed facts. Also used if only a question of law is involved. An example is summary administration in probate, where the judge reviews the case and issues order(s) for payments. Justice Courts count summary evictions here when the judge signs without a hearing.

Non-Jury (Bench) Trial: A major classification category for civil case dispositions in which a judge hears a trial of matter or cause in a case. A non-jury trial is counted as beginning when the first evidence is introduced or the first witness sworn, whichever comes first. Sub-types of non-jury (bench) trial are:

- Disposed After Trial Start (bench trial)
- Judgment Reached (bench trial)

Disposed After Trial Start (bench trial):Bench trial dispositions in which a judge or judicial officer is assigned to determine both the issues of fact and law in the case and evidence is introduced, but no judgment is reached, typically because the case settles during the trial.

Judgment Reached (bench trial):Bench trial dispositions in which a judge or judicial officer is assigned to determine both the issues of fact and law in the case, evidence is introduced, and a judgment ending the trial is rendered by the court.
