THE SECOND JUDICIAL DISTRICT COURT'S VETERANS TREATMENT COURT (VTC) IS A SPECIALIZED, COLLABORATIVE PROGRAM DESIGNED TO SUPPORT JUSTICE-IMPACTED VETERANS WHOSE UNDERLYING CHALLENGES ARE RELATED TO MILITARY SERVICE. THROUGH JUDICIAL OVERSIGHT, INDIVIDUALIZED TREATMENT PLANS, BEHAVIORAL HEALTH SERVICES, SUBSTANCE USE TREATMENT, AND COORDINATION WITH COMMUNITY PARTNERS AND VETERAN-SPECIFIC RESOURCES, VTC PROMOTES ACCOUNTABILITY, RECOVERY, AND LONG-TERM STABILITY.

- The program seeks to reduce recidivism, address the unique needs of veterans, and help participants successfully reintegrate into the community.

- Treatment and support services vary based on each participant's individual needs and include regular court hearings, check-ins with court staff, drug and alcohol testing, and coordination of treatment services.

- For all participants, regardless of your treatment program, Veterans Court operates as a minimum 12-month program at no charge to the veteran.
