Items with a specific time designation will not be heard prior to the stated time but may be heard later. The Consent is a single agenda item and is considered as a block and will not be read aloud.

Accessibility. In compliance with the Americans with Disabilities Act, the Washoe County Commission Chambers are accessible and those requiring accommodation for this meeting should notify the Truckee Meadows Fire Protection District at (775) 326-6000, two business days prior to the meeting.

Public Transportation. Public transportation is available to this meeting site. For eligible RTC ACCESS reservations call (775) 348-5438 or visit <https://www.rtcwashoe.com/public-transportation/>.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Board of Fire Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of Fire Commissioners conducts the business of the District and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the

meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The Fire Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Fire Commission. However, responses from Fire Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Fire Commission will consider, Fire Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for District staff action or to ask that a matter be listed on a future agenda. The Fire Commission may do this either during the public comment item or during the following item "Commissioners'/Fire Chief's announcements, reports and updates, requested for information or topics for future agendas."
