

# How to Use Zoom on Your Computer and Smartphone/Tablet

Computer:	Smartphone/Tablet:
<ol style="list-style-type: none"><li>1. Type the following link into your internet browser: <a href="http://www.zoom.us">www.zoom.us</a></li><li>2. Click the “JOIN A MEETING” button on the top right of the screen: </li><li>3. Type in your “Meeting ID or Personal Link Name” and click “Join.”</li><li>4. It will then ask you to download the Zoom application to your computer or laptop. Click where the arrow is pointing in the bottom left corner of the screen: </li><li>5. A pop-up window will appear and ask if you want to run the application. When this happens, click “Run.”</li><li>6. After downloading (this can take several minutes) another pop-up window will appear in which you will click, “Yes.”</li><li>7. Once this finishes you will be able to click, “Join meeting.”</li><li>8. Zoom will now be downloaded onto your computer, thus enabling you to use the application without going to the Zoom.us website.</li><li>9. If the meeting will include <a href="#">simultaneous language interpretation</a>, select “Join with Computer Audio.”</li></ol>	<ol style="list-style-type: none"><li>1. Go to the App store on your cellular device or tablet (e.g., Google Play, Apple Store, etc.).</li><li>2. Search for “Zoom Cloud Meetings.”</li><li>3. Install the Application: </li><li>4. Once installed, open the Zoom App and click “Join a Meeting.” </li><li>5. Type in your “Meeting ID” and click “Join Meeting”:</li><li>6. You should now be in the meeting. You can start and stop your audio and video using these buttons on the bottom/top of the screen: </li><li>7. If the meeting will include <a href="#">simultaneous language interpretation</a>, select “Call Over Internet” as the “Join Audio” option. </li></ol>

If your computer does not have a webcam, microphone, or speakers you will not be able to participate in the audio and/or video functions of the meeting. Visit [www.washoecourts.com/zoom](http://www.washoecourts.com/zoom) to learn more about [simultaneous language interpretation in Zoom](#).
